DEDICATEE

Marsha Pauley has been chosen by the senior class as the dedicatee for the 1984 Oracle. Ms. Pauley has done all of her eleven years of teaching here at Central Cambria, where she has taught junior and senior English. She had been instrumental in designing the English curriculum: among her achievements was the inception of the Humanities course, a multidisciplinary course whose purpose is to culturally enhance and academically challenge superior academic students.

Ms. Pauley graduated from Portage High School in 1968 and from the University of Pittsburgh in 1972. Last year, while on Sabbatical, she earned a master's of Library Science at Kent State University. After hours, she is an avid equestrian and a cross country skier.

Thank you for the honor that you have bestowed upon me by selecting me as your dedicatee for the 1984 Oracle.

It has been a pleasure to teach young people and I wish the very best for each of you in your future lives.

The Central Cambria High School football team began the 1983-84 football season with hopes of continuing their string of consecutive winning seasons. With the graduation of several key athletes and only 7 lettermen returning from last season's 6-4 team, few spectators expected this team to win more than a few games. But the Red Devils had other ideas.

On August 18, after months of weight training preparation, 59 players began the most difficult and demanding pre-season camps ever experienced at Central Cambria. The coaches knew that if the team had any chance of success they would have to work and prepare harder than any of their opponents.

SEASON 9-1

Intense hitting drills, fierce competition and extended periods of conditioning furnished the foundation for the upcoming season. No opponent would be more physically ready than Central Cambria.

After two relatively successful scrimmages the football team entered its regular season against Richland with confidence in its physical stamina. The previous hard work paid off in a convincing victory and the Red Devils were on a roll. Forest Hills, Penn Cambria, Conemaugh Township, North Star, Westmont, Cambria Heights, Windber and Portage fell before the onslaught of the Big Red Machine. Only a fourth quarter heartbreaking loss to Somerset prevented the Devils from concluding an undefeated season.

This 9-1 regular season enabled Central Cambria to finish in second place in the Mountain Conference behind Ligonier and provide for a championship game. The Devils lost 8-0 to the talented Ligonier team. The smaller Red Devils made a good showing by exhibiting the characteristics that surprised the spectators all season: aggressiveness; hard hitting and confidence.

The Red Devils compiled many impressive personal and team statistics. Co-winner of the Big Nine Conference and runner-up of the Mountain Conference were accomplishments that few could have imagined before the season. This Central Cambria football team won more games in the school's history than any other and proved that hard work, dedication, and confidence are the ingredients of championship seasons.

SAYS J.V.'S AND FRESHMEN

The Force was not with this year's Freshman football team as they ended their season with a 1 and 6 record.

This year's team should be remembered as a group of determined and gutsy young men who had pride in themselves and their team. Their attitude was one of never say die as they were contenders in every game.

The improvement this team makes by their senior year will be measured by their hard work, dedication, desire to be winners.

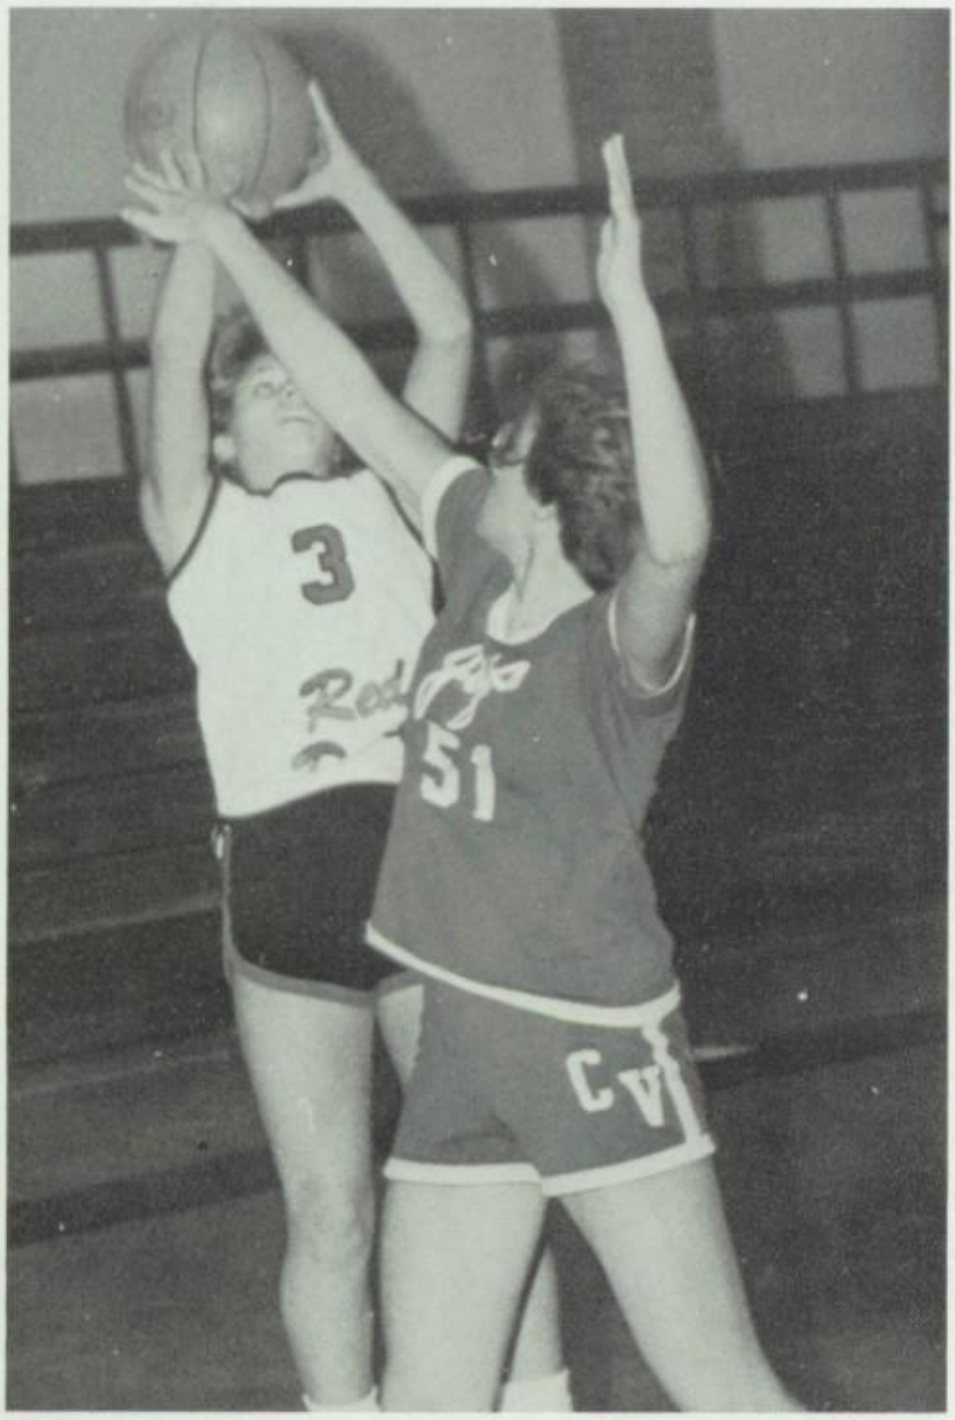
DISTRICT CHAMPIONSHIP



This year the Girls Basketball team finished their varsity season with a 19-5 record. They became the Central Western League Section I champions and District VI AAA runner-ups. This outstanding team became the first girls team to be runner-ups in the District Championship in the history of Central Cambria. The team beat rival Bishop Carroll three times in one year. They also received the sportsmanship Award, given by the PIAA Northern Cambria Officials Chapter.

Chris Sheehan and Kim Hassinger were named to the Central Western All-Star Team. Chris was also named to the Crusher Classic All-Star Team and Kim was named Outstanding Offensive Player in the Crusher Classic.

Under the direction of their coach, Miss Michkofsky, the team had an excellent season.

BOYS CROSS COUNTRY

The 1983 cross country season was very satisfying for the boys and girls teams. Both the boys and girls teams were very young, with no seniors on the girls team and only one senior among the top five runners for the boys. Despite their youth, the boys posted a 6-3 record with their losses coming by very narrow margins. The girls record was 7-2. Their only losses were to conference champion Forest Hills.

*Low score wins

Individually, several runners were successful in the large championship meets. Senior John Chiappini and sophomore Tom Swope were two of District 6's three individual representatives at the state championship meet. In addition, John set course records at Central H.S. of Martinsburg and on his home course at Central Cambria. Trophy winners in various varsity championship meets include John Chiappini, Tom Swope, Valorie Balough, and Marla DeYulis.

GOLF

The C.C.H.S. Golf team had an excellent year. They ended the season with an 11-2 record over all and an 11-1 regular season record. They finished 2nd in the section to Westmont. The greatest accomplishment, however, was the winning of the Wheeling Tournament. This year's team was the only team, so far, to win the Wheeling Tournament in the history of the C.C.H.S. golf team. It was Westmont's first loss in nine years and second loss in seventeen years. This team was also possibly the best team that C.C.H.S. has ever had.

They worked very hard perfecting their drills and routines during band camp over the summer. They add a special touch of grace and discipline, with their flags and rifles to the band.

MARCHING

ENDS SEASON WELL

CC's band has been involved in many activities throughout the year.

For instance, during the football season, the Band members worked hard to put on a spectacular half-time show for your enjoyment. Not only were they there at the football games, but they were involved in a few parades; the Halloween Parade in Vinco and the Veteran's Parade in Colver and the Christmas Parade in Ebensburg, all of which went well.

The Band performed in competition also. They were held at Tussey Mountain and Windber.

The band did well this year. Lets hope they do as good or better in years to come.

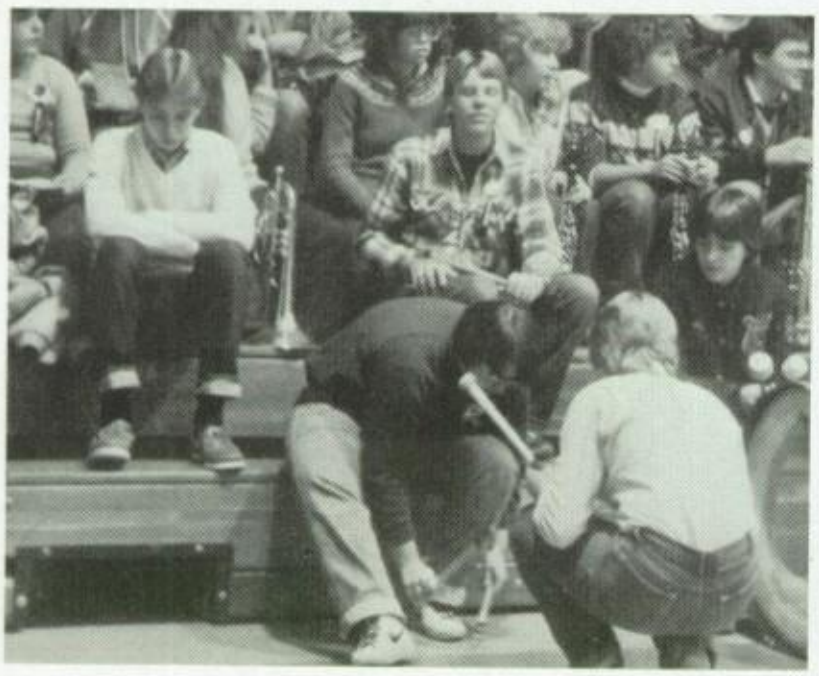
PEP BAND GIVES SCHOOL SPIRIT



The pep band was a vital part of our pep rallies. They went to every pep rally and put a lot of energy in each assembly. They played many up-moving songs. Tricia Barto or Beth Smith directed the pep band.

The pep band also participated in two elementary school pep rallies. The first one was at the Central Cambria Elementary School, the second was at Mundy's Corner Elementary School. At these rallies the pep band, football players, and cheerleaders also participated in holding a small pep rally for the elementary students, on their red and black day.

Hard work and dedication are two key factors in producing the yearbook. The yearbook is more than pictures thrown on a page. Everything done must be planned and fit in with the theme of the book. Deadlines must be met, pictures must be taken and information about each activity in our school must be obtained. Staff members give up their study halls, stay after school at times and give up a few Saturdays to work on the yearbook. The "Oracle" is produced for you to look back on in the future of your years at Central Cambria High School.

The 1983-84 student council has had a number of activities for the students this year. There was a Blood Mobile, where students gave blood for their favorite football team. Over 100 pints were donated.

Several dances were held, which included a Pitt and Penn State dance, Beach dance, Valentine's dance and Punk dance.

ACCEPTS NEW RESPONSIBILITIES

For the Pitt and Penn State dance everyone came dressed for their favorite team. For the beach dance everyone came dressed in preparation for the summer. At the Valentines Dance computer match-ups were handed out to those who participated. At the punk dance students dressed punk.

Not many students realize the significance of the student council. They are elected to represent the student body. If anyone feels they need something changed in the school they should bring the matter to the attention of the Student Council.

STUDENT COUNCIL

FOREIGN LANGUAGE

The language festival of this year proved to be fun for everyone in attendance. There were various games and contests to play to occupy the few dull moments. Some of the games included golf, bowling, chuck-a-buck, and knockout.

The concessions stand served various food items from pizza to candy bars. The Pepsi Challenge was also offered. These were purchased with money from the Foreign Exchange Banks. Students exchanged their American dollars for Spanish pesettas, French denari, and Latin penuniae.

The costume contest was the highpoint of the night. Categories included: the scariest, most original, the ugliest, and the funniest costumes.

Throughout the evening, everyone enjoyed themselves. Music was provided by Q-94 Galaxy Road Show. The festival was a success!

Twenty senior students, ten boys and ten girls, were selected by the senior class to participate in the Homecoming Court. The student body later voted on who they would like to have as King and Queen. The votes were then counted by Miss Brown and the winners were announced at the football game during half time on September 30.

The court was paired up and the couples met at the high school to get pictures taken and to receive flowers. They then went to the football field anxiously awaiting the news.

SEPTEMBER 30 — OCTOBER 2

This year's Homecoming King and Queen were Glenn LaJudice and Michelle Tokey. The first runners up were John Chiappini and Patty Swope. The second runners up were Pat Staurch and Maria Moyer.

On the following evening, a dance was held for the court at the high school commons. The band "Ice" was featured, and a good time was had by all.

The 1983-84 Swim Team was very proud of their winning season. The season was especially memorable because both the boys and girls had a winning season.

The boys broke a few records themselves including the freestyle relay team of Brian Balough, Curt Collins, Tim Murphy and Doug Single.

The boys team had a record of 6 wins, 5 losses, and 1 tie.

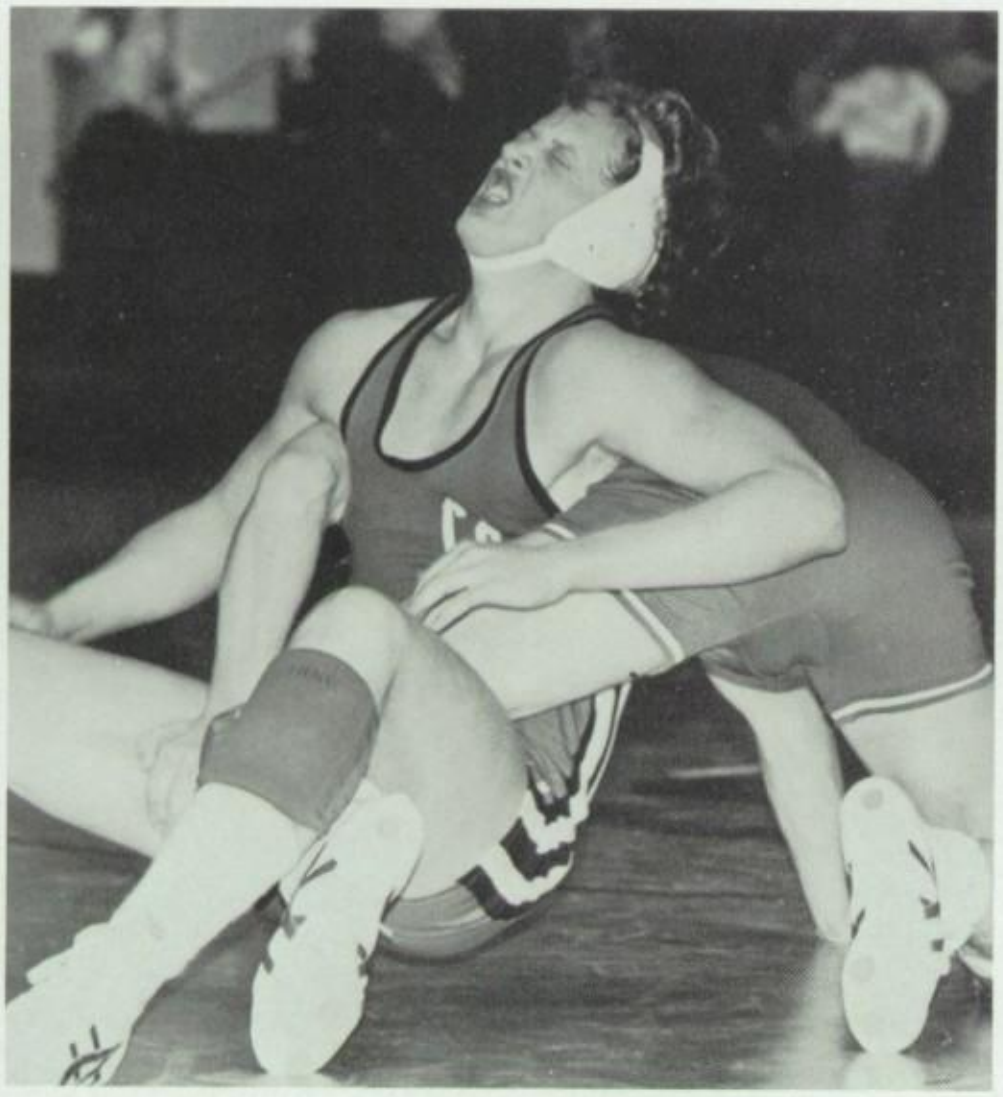
REBUILDS



Individual efforts were the highlights of this year's wrestling team. Heavy graduation losses from the 82-83 team resulted in the first losing season in 7 years. Junior Mike Revesz posted the most wins with 15 while senior Nick Gresh won 14 bouts. Both were District 6 qualifiers. Revesz won one bout in the District competition; Gresh, however, was the biggest surprise in a very strong heavyweight field as he defeated two of the top seeds easily (one a 6'6" giant, from Bellwood who has a 24-1 record) before finally losing to a returning Regional Champion. Eric Kish, a Junior, has a good year with a 9-6 record. Our most promising freshman, Seth DeYulis finished with a respectable 8-8 mark.

Inexperience and youth played key roles in most of the teams losses. At times, no fewer than 4 freshmen, 3 sophomores, and two first year wrestlers were in the starting lineup. Another factor was that many opponents had their best team in recent years.

One enlightening note is that after the first few weeks of the practice season, no one dropped out of the program and 34 wrestlers finished the season with the team.

The Varsity Boys Basketball Team made history with a 20-8 record. They marked the most wins in a season, highest by a C.C.H.S. basketball team. This team became the champions of the Admiral Peary Christmas Tournament by beating Portage, Cambria Heights, and then Bishop Carroll in the final round.

The team finished the Tri-County League with the best league record for C.C. of 10 wins and 4 losses. They began the District 6 playoffs in March. With a first round victory over Chief Logan, the team advanced to the Final Four of District 6 AAA competition. They advanced to the semi-finals, but lost to Somerset 70-64, which ended the season with 20 wins and 8 losses. Under the direction of Coach Rufrano, this team produced the best season ever.

JV'S HAVE WINNING SEASON

The 1983-84 Junior Varsity Basketball team posted a winning season with 12 wins and 10 losses. The team started out slowly, losing 7 of their first 11 games. Coach Simmons attributed this to the fact that the team was young with 14 sophomores and only 3 juniors.

The team never got discouraged and continued to work hard in practice. With hard work, the team was able to turn their season around by winning 8 of their last 11 games.

This year the Ski Club had approximately 130 skiers who enjoyed the many slopes of Blue Knob. This year, unlike last year, skiing on the first day was very good. There was more snow this year than last year. Ski club went to Blue Knob, the four regular times. While at Blue Knob, the students could go into the snack shop and get something to eat while listening to the juke box and playing the arcade games.

This year, because of the unseasonably warm temperatures, ski club did not go to Seven Springs Ski Resort in Somerset. Skiing this year was not as long as we would have liked it to be but when we did get to ski nature proved that it could produce some excellent skiing conditions.

LOOK AT US
WE'RE GREAT!

This year the cheerleading squads at CCHS have had a change for the better. This change is Judy Vokin, the new cheerleading advisor. Judy took over the position the summer before the 83-84 school year began and she has made much progress with the cheerleaders. Along with advising the squad at Holy Name, which she has been doing for 8 years, Judy has taken on the responsibility of three more squads here at CC.

Being a cheerleader in high school herself, (at Central Cambria) Judy has the knowledge and ability to advise and help the cheerleaders to improve themselves.

IN ALL ASPECTS

Sitting: R. Lloyd, B. Grazier. Row 2: J. Gironda, S. Thomas. Row 3: M. Ruggiero, M. J. Bracken.

The cheerleaders managed to get the spirit in our school moving whereas for the last couple years has been stagnating. The cheerleaders worked hard this year to get spirit moving in school, and this hard work was definitely shown through their performance. One change that improved the school was the moving of the pep rallies from the aud. to the gym. This move created a better atmosphere so that spirit can be better displayed.

Another extra effort put forth by the cheerleaders was the decorating of athletes lockers. This gave the athletes individual motivation to come out with a victory. However, this worked two ways. Motivation was given to the cheerleaders from the winning teams, this motivation was passed on through the student body of CCHS.

This year's squad will be graduating 7 seniors: Maria Ruggiero, Paula Lindrose, Connie Sisti, Michelle Tokey, Jean Barno, Patty Swope, and Tina Evans who will be greatly missed. New squads will be chosen and the training of the cheerleaders will begin over again.

The squads of the 1984 have proven to be hard working squads that have overall improved the spirit of Central Cambria. These cheerleaders should be commended for their dedication and spirit they have shown this year.

The Key Club is a service organization. This club is open to both males and females in the high school.

Over the year, they have accomplished many things. They had their annual sausage sale, which is a Kiwanis Project. During Christmas, the members went out and rang the bell for the Salvation Army. They have also helped out with the Special Olympics. They have done many great things and will continue to do so.

Sandy Noel — Secretary, Susan Noel — President, Kim Mullen — Treasurer

Many people have probably heard of the F.H.A. Club. F.H.A. is the Future Homemakers of America. This year has been a different and tough year for F.H.A. Every year we go to the state school for their annual parade, but unfortunately we did not have enough transportation. But besides the setbacks, it was still a good year. The members of F.H.A. had a cookie exchange day for Christmas. Our annual flower sale for the beginning of spring was better than ever. F.H.A. has many new and interesting projects they are thinking about for the new year. We hope our club will expand.

HEALTH CLUB

OFFICERS — Chris Frank, President; Carla Simpson, Vice Pres.; Kim Devlin, Ester Bugie, Secretary-Treasurers.

Any student who is interested in any type of health career may join.

The purpose of the club is to help students become aware of the various careers in the health profession by providing speakers who will discuss their profession and encourage questions. This year we have had speakers from the Ebensburg Ambulance Association, a Physician's Assistant, a Physical Therapist, and The Army Recruiter. Each speaker helped the students understand what education requirements are necessary for these jobs and what it was like to work in these positions.

Sponsored by Mr. Gresh, the Science Club had a busy year performing experiments and discussing scientific phenomenon.

During the club's first meeting officers were elected.

With nearly fifty members, the club broke down into committees for the experiments and planning for their annual field trip.

Although the club held no fund raisers or events, the members learned much from their experience, making the year a successful one.

BLAZON STAFF

Just Typing Away!

This year the Blazon Staff worked hard to inform and entertain the student body. The group began by having a subscription drive. C101, Mr. Tsikalas' room, freshman homeroom won the contest and a picture on the front page of the Halloween issue. The next two issues were produced by the school's word processor for the first time in Blazon's history. Some of the staff learned how to run the processor while using their typing skills. These issues were then followed by two others, one in April and the final in May.

Animation, dedication, creativity, enunciation, clarity — all are characteristics of a Forensics club member. With the help of Miss Englehart, the Forensics coach, a student joining the Club, learns practical speaking skills and acquires valuable speaking experience. This year's Forensic club officers were Melinda Wray, president; Julie Fether, vice president; and Patty Swope, secretary-treasurer. In all there were a total of 29 students in the Forensics Club.

If the club members wish, they may try out for the Forensic team. Members of the team try out for a position in one of eight divisions. The Divisions of speeches are Girls' Extemporaneous, Boys' Extemporaneous, Informative, Persuasive Poetry, Prose, Humorous or Serious Dramatic Interpretation. This year the 18 members of the team competed at three invitational meets before going on to District Competition originally scheduled at St. Frances College on Tuesday, Feb. 28, 1984. Team members cringed each of the 3 times the meet was postponed because of the weather. Finally it was set for March 10 and the team spent 14½ hours, from 9:30 a.m. until 12 midnight.

For the baseball team, this was to be a rebuilding year. With six seniors graduating, there were many positions left to be filled.

Coaches McHenry and Traino had to battle poor weather conditions for practices which were often times held indoors. Despite little practice time, the young team started out quickly, winning their first two games. They then slipped into a slump and dropped five straight. CC ended the regular season with a win over Penn Cambria and finished with a record of 3-5.

Despite their losing record, the Devils went on to playoff in the District 6 Playoff against Hollisdaysburg. The game was tied after seven innings at two apiece. The Devils rallied in the ninth to capture the win over the Tigers, 5-2. The Devils went on to play Cambria Heights in the second round of the playoffs.

League 10-1		Overall 13-4	

C.C. completed another excellent season of softball by winning the Inter-County League Championship for the fifth time in the past 6 years. The Red Devils compiled a 10-1 league record and until the loss to Indiana had won 29 consecutive league games. Their league winning streak at home is still and now stands at 35 straight. C.C. has not lost a home game in over 7 years. This season's team featured a battery who were selected to the first string on the Pennsylvania team. Teresa Forbes was an all state catcher who hit 420, led the team in triples, and often base hits, tied for homeruns, and drove home a team leading 26 RBIs. She is undoubtedly the best lefthanded hitter in C.C.'s softball history. Kim Hassinger comprised the other half of this remarkable battery. Kim was C.C.'s pitcher for the past 2 seasons in which she compiled a 25-5 record. She hurled 6 career no-hitters and this year struck out 127 hitters in 17 games. She was named to the All State team the past 2 years. As a hitter she established a new school record for hits in a career with 93 and tied the season record for one year at 32. She also holds the school career records for at bats and doubles. She will be attending Southern Illinois University on an athletic scholarship. The "84" team also showed a fine crop of freshmen and sophomores who figure to play a large part on the future of C.C. softball. They look forward to containing the winning tradition which has produced a 92-18 record under head coach Pat Stock.

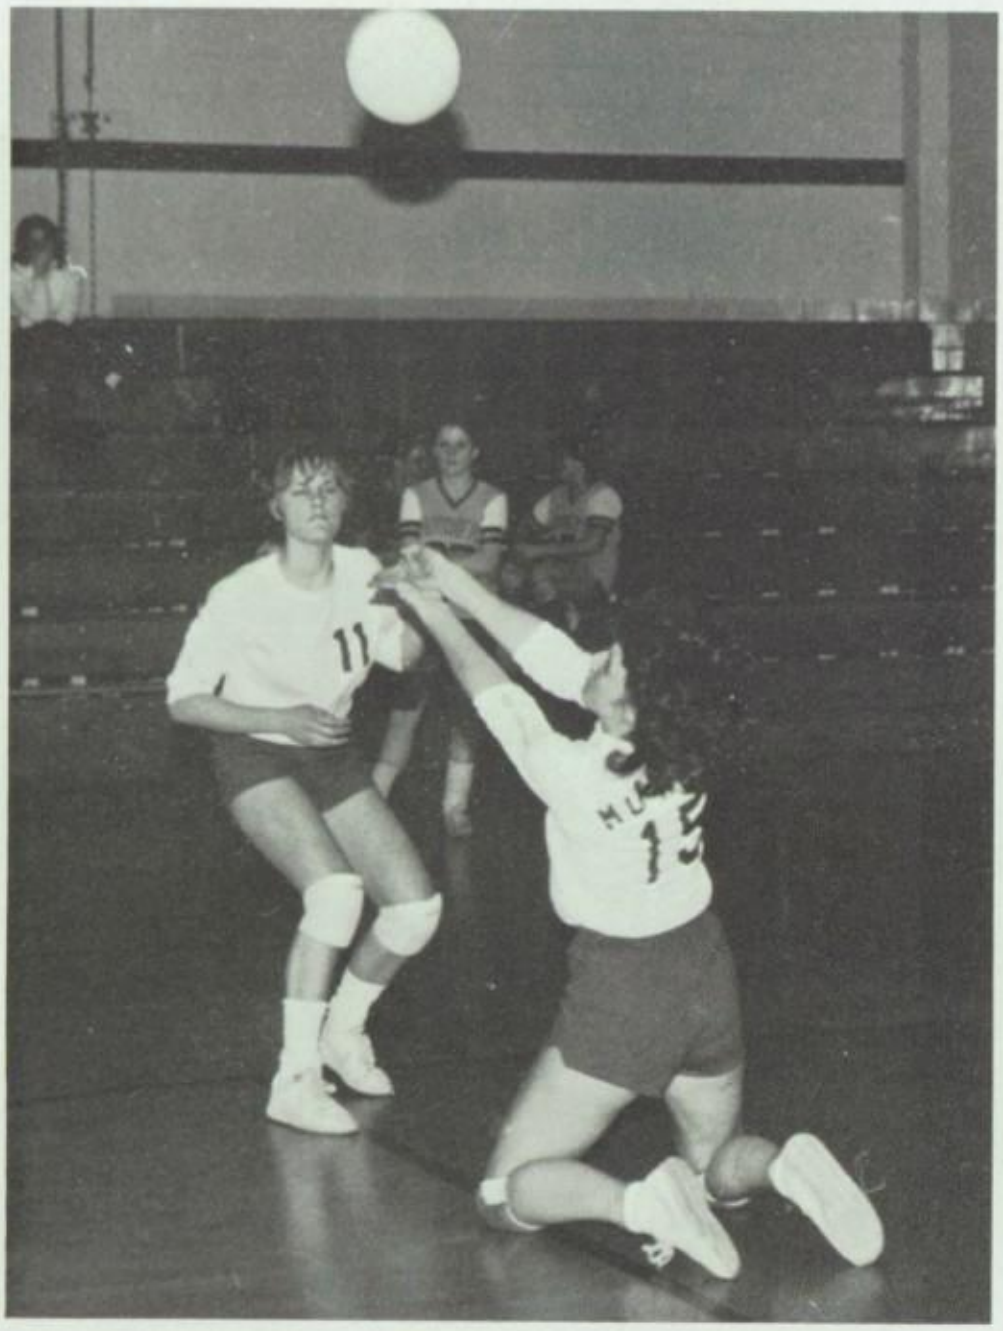
The players went into the season with several goals. The first one was to have fun and the second was to get better with each game played. Both of these goals were accomplished. WE had fun and the sill level improved 100%.

Don't forget the senior managers who made it all run smooth. They are Colleen Walters and Virginia Waltimire.

DOES WELL



The Junior Varsity Volleyball team was also a very inexperienced team. There were only two girls with any volleyball experience. In spite of this vast inexperience the team was able to capture two victories. All of the girls on the team obtained a great amount of playing time during the season. The girls increased their playing skills, learned complicated offenses, and had an all-around good time.

This year concludes another successful track season. The boys track team won the Mt. Conference Track and Field Championship Meet and were District 6 runners-up. Two new school records were set this season. Carl Farabaugh set the new shot put record with a toss of 49′ 5″. David Emerich set the new triple jump record with a distance of 43′ 10½″. This season also produced three district champions and state meet qualifiers.

Then the girl's ensemble and mixed chorus did their selection of songs, which were also done very well. The second show was our spring concert. The chorus went through the program like they could make no mistakes. Both the Christmas and Spring recitals went very well. Mr. Isenberg was very excited with the excellent performance the band played.

During the year the band learned many techniques and styles needed to play in a band and make it sound great. We learned how to play as a group through the leadership and the guidance of Mr. Isenberg.

The funds raised were used to paint windows at the Laurel Crest Manor, buy materials to finish the mural in front of the school, have guest speakers talk at meetings, Chuck Hall do portraits and to pay for the annual trip. The club also helped student council paint the Red Devils in the main gym.

LANGUAGE DEPARTMENTS CELEBRATE

Toga, Toga, Toga!

I pity the fool that doesn't buy socks.

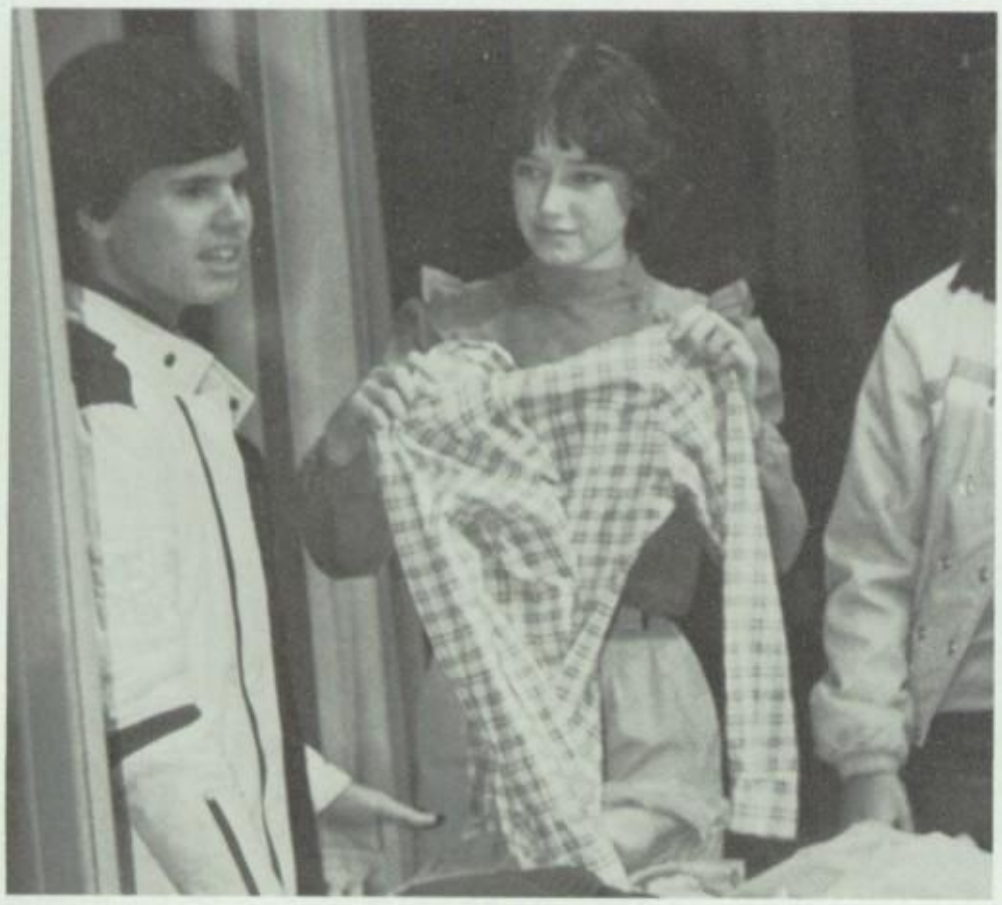
FOREIGN LANGUAGE WEEK



I can get one just like it at Jamesway!

In March the Spanish, French, and Latin classes celebrated Foreign Language Month by presenting a program on March 30 to the student body. Mary Jane Bracken, Barb Carlisle, and Eileen Kinney narrated the various skits and dances. Students participated in the traditional Roman dance, the toga, the French Can-Can, Spain's Flamenco or gypsy dance, and C.C.'s version of Surfin' USA, Jeff Konnert's imitation of Harry Belefonte singing about the birds and bees, and Mr. T., alias Karen Kowalczyk, psyched everyone up. Robbie Sherron, with the help of an unknown "idol" explained the reason he followed his friend around was because he liked him. The Foreign language students wrapped up the day by agreeing to speak a certain language for approximately 3 hours. Each participant was given 2 tags. The people who collected the most tags were awarded. Renee Hildebrand, camera; Jill Lipka, calculator; Judy Beyer, Headset; Anita Hill, and Jackie Matovich, hats.

This year's prom was held in the school commons area on Saturday, May 5 at 8 p.m. The Juniors started decorating during school on Friday. They worked until late Friday night and finished up on Saturday morning.

The couples arrived at the prom after visiting with friends and relatives, having pictures taken and eating at a variety of restaurants.

This year 194 couples attended the prom. The pictures were taken in the courtyard. Floyd Hopewell, from Pittsburgh Art Institute drew caricatures of the couples. Music was by the band "Rage."

A post prom party was held at ShowBiz Pizza Place from midnight to 5 a.m. At the party there was dancing, video games, and plenty of pizza and food. Everyone had a great time.

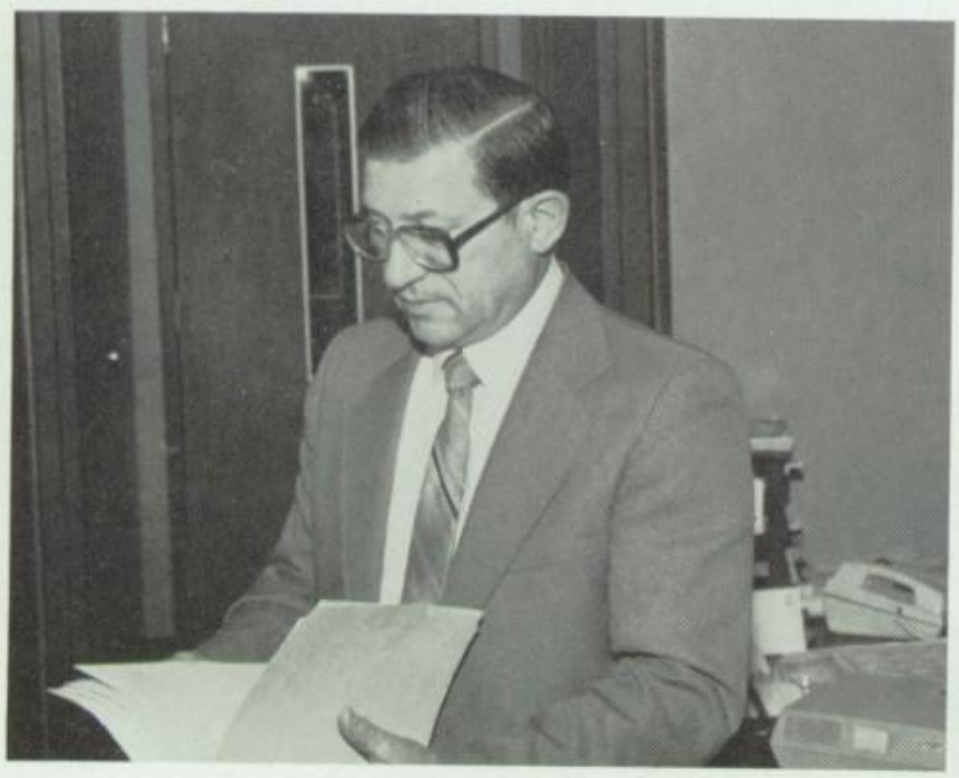
The school board must decide on a budget and how the money should be used for each area. They also decide on the schedule for each year. Other important matters of school activities, such as hiring teachers and coaches, deciding on personal days and leaves of absence for the teachers and finding substitutes are jobs for the School Board. The School Board is divided evenly with three members from Cambria Twp., Jackson Twp. and Ebensburg Boro.

ADMINISTRATION EXTENDS WISHES



Congratulations, members of the class of 1984. You have proved that you are capable of succeeding in today's world. I wish the best of luck to each and every one of you and hope that you fill your potential in the future.

Mr. Dill

I extend a sincere wish for success to the members of the graduating class of 1984. I hope that each of you reach the goals that you have set for yourselves.

Mr. DeBastiani

Dr. Evans
District Superintendent

Mr. DeRubis
Assistant Superintendent

Mr. Swerbinsky
Director of E. Ed./Pupil Services

The faculty at CCHS is very helpful to the students enrolled here. The students can really rely on our teachers help if they accept the help offered to them. The guidance helps them prepare and plan for future years. The teachers of the departments help students decide the areas they are interested in and what they would eventually like to do after graduation.

Some teachers are more active than others, but all of them are an important part of our school system. Teachers are more than just teachers, they're friends, coaches, and models of dedication to their profession.

TIME

TIME IS FLOWING LIKE A RIVER, TIME BECKONING ME
WHO KNOWS WHEN WE SHALL MEET AGAIN, IF EVER.
BUT TIME KEEPS FLOWING LIKE A RIVER, TO THE SEA.
GOOD-BYE MY LOVE
MAYBE FOR FOREVER
GOOD-BYE MY LOVE
THE TIME WAITS FOR ME,
WHO KNOWS WHEN WE SHALL MEET AGAIN, IF EVER.
BUT TIME KEEPS FLOWING LIKE A RIVER, ON AND ON,
TO THE SEA. . .
TILL IT'S GONE FOREVER, GONE FOREVER, GONE
FOREVER.
GOOD-BYE MY FRIEND
MAYBE FOR FOREVER
GOOD-BYE MY FRIEND
THE STARS WAIT FOR ME,
WHO KNOWS WHERE WE SHALL MEET AGAIN, IF EVER.
BUT TIME KEEPS FLOWING LIKE A RIVER ON AND ON,
TO THE SEA . . .
TILL IT'S GONE FOREVER, GONE FOREVER, GONE
FOREVER.
FOREVER MORE,
FOREVER MORE,
FOREVER MORE,
FOREVER MORE.
